Dear Colleagues and participants,

**Subject: The International Conference on Advancement in Health Sciences Education and Professions: *Synergy and Reform for Better Health* (iHSEP2019)**

We welcome your contribution to the exchange of knowledge and expertise in the field of health and medical sciences at the International Conference on Advancement in Health Sciences Education and Professions: *Synergy and Reform for Better Health* (iHSEP2019) during November 11-13, 2019 at The Miracle Grand Convention Hotel, Bangkok, Thailand.

The iHSEP2019 is a joint effort by Praboromarajchanok Institute, Ministry of Public Health, associated organizations and universities from Thailand, international university partners and international organizations. The main objective is to provide an academic forum for health personnel, health scientists and researchers, practitioners, and allied health professions to exchange and disseminate academic knowledge in health and medical sciences. The conference is an opportunity to promote and encourage the faculties, researchers, staffs, and students of PBRI's partnered networks, higher educational institutions, and other interested attendees. The conference is a full three days' program, with an audience of about 600 participants.

We would be grateful if you could participate our conference. If you require additional information, please do not hesitate to contact us at [ihsep2019@pi.ac.th](mailto:ihsep2019@pi.ac.th) or our website at <http://ihsep2019.pi.ac.th/>. Our deadline for abstracts submission is on August 31, 2019.

Yours sincerely,

(Dr. Somchai Thammasarnsophon)

Acting President of Praboromarajchanok Institute
